Ocean Beach Community Arts Center
For current schedules

The Ocean Beach Community House as you know it will soon cease to exist. Out of the sunset....a new beginning, you will find the new *Ocean Beach Community Arts Center*.

The production is pioneered by Tara Schoen Fishman & Gwen Silver with the outstanding support of Mayor Loeffler the Village Trustees and a devotion & commitment from the entire community,

friends & family who have offered their hearts and hands to bring a new life to the old Community House.

In the coming years we can expect more than just blockbuster motion pictures.

With a schedule of new equipment to be upgraded over time, coming to the new stage will be something for all in our community. Theater, Comedy, Music, Shows, Contests and Workshops are just the beginning.

The new **Ocean Beach Community Arts Center** will strive to promote community spirit through the sponsorship of activities, programs and events; providing a facility for social, educational, service, recreational & entertainment gatherings; and preserving the spirit of our beautiful historic building.

Mission Statement

*Thanks to the generosity of our Village, the new **Ocean Beach Community Arts Center** will continue to be a well maintained, historic structure whose vision is and will be to benefit and support all citizens in our community. We, as most of you, are already exceptionally invested in our community.*

Summer 2009 will be the grand re-opening of the new **Ocean Beach Community Arts Center**. Our detailed schedule will be published shortly.

We extend special thanks to the Mayor, Village Trustees and all the local business that have contributed to our opening event.

Without all your support, this would not be possible.

In addition to a regular blockbuster movie schedule you can look forward to:

PTO: Parents Time off – Monday, Wednesday & Fridays 5-7pm. 2 hours devoted just to your kids (or grandkids) to have fun with movies, music, magic & much more. Babysitting is available with advance reservations.

Taste of OB: Some Friday's. Created with our own residents in mind. Price fix food & fun. Dine at one of our local restaurants then enjoy a magnificent show or comedy night (sponsored by Gotham Comedy in NYC) in our theater.

Urban Youth Nights: Dances, live music Hip Hop, Spoken Word & Open Mic. Featuring NYC poets & DJ's.

Spectacular Sunsets on the back deck as you chat with old & new friends. (weather permitting).

Fire Island Idol: with our own Simon, Paula & Randy. **Attention everybody.....this event is not just for singing!** Show us your hidden talent whatever it may be & let your audience vote.

Rocky Horror Picture Show: Tim Curry, Susan Sarandon, Barry Bostwick, Meatloaf & **YOU!!** This kinky rock'n'roll science fiction horror satire is everybody's favorite midnight show. A young couple stumbles into a castle inhabited by weirdo's from the planet Transylvania including Dr. Frank N. Furter (Tim Curry) a transvestite Frankenstein in rhinestone heels. A marvelous musical spoof which urges, "Give yourself over to total pleasure."

Life in a Marital Institution: 20 Years of Monogamy in One Terrifying Hour. *Life in a Marital Institution* is a one-man saga directed by Hal Brooks, written and performed by James Braly, whose 20-year marriage is far from ordinary— but then again what marriage isn't?

Celebrity Autobiography : In Their Own Words. It's been packing the house every Monday night at the Triad Theater, in Manhattan. It stars a host of celebrities themselves. The idea is simplicity itself: Have a really good comic actor read from a celebrity autobiography, for fun and laughs.

Joy Behar: comedian, writer, actress, and a co-host of the talk show *The View*.

Maurice Hines : "a crowd-pleasing showman that ignites the show... As a song and dance man, Hines is quite irresistible."

Assume the Position: Starring Robert Wuhl. The show mixes American pop culture history infused with irreverent commentary and lighthearted observations before a classroom of actual New York City college students.

Golden Wagon Film Festival * Classic Independent Film's * September Fest * Last Chance Dance * Sing Along's * Concerts * and much more..... → → → →
